

September 29th—October 2nd

The 2020 Business Expo, presented by The Chamber of St. Matthews, will be held virtually. The virtual expo site will include an opportunity for vendors to have a 3-5 minute video describing their services and products as well as a chance to connect with attendees through the ability to schedule a one to one. In addition, we will be running webinars and virtual networking events throughout the duration of the expo on the events page. Attendees will need to register for the event when they login and will be shared with vendors.
